RE/Max Acclaimed Realty Commercial Division Commercial Sales, Lead Generation, & Marketing Training Program

Re/Max Acclaimed Realty Commercial Division Offers To Its New Commercial Agents An Extensive Career Path Training Program.

Introduction

- How to model success.
- What to focus on in order to build a great career in commercial real estate.

Lesson 1:

- How to manage your emotions so that you are more consistently full of energy.
- The value of focusing in on one expertise or "Area of Responsibility"
- How to build a large number of prospects within your "Area of Responsibility"
- How to cold call effectively.

Lesson 2:

- The value of building a database of contacts.
- How to set up a leads group that provides you with inside information about what's happening in your "Area of Responsibility".
- How to set up multiple ways to contact ideal prospects.
- A great goal setting session.

Lesson 3:

- How to systematize your lead generation efforts.
- The fundamentals of a great business plan.
- The importance of tracking activity and testing new approaches.
- How to effectively use networking events to generate leads.
- How to use the internet to generate leads and support your marketing efforts.
- How to create a plan that will help you achieve each goal you've set.

Lesson 4:

- Where to find properties to list and how to set listing appointments.
- The psychology of influence and sales -- why people say yes.
- Fundamentals of time management.

Lesson 5:

- How to build rapport with anyone you meet.
- How to do a great listing presentation.
- How to maintain a sense of flow in your business.
